

REMARKS

This amendment is being filed in response to a telephone conversation between Supervisory Patent Examiner Ed Westin and the attorney of record (Dennis M. de Guzman) on November 18, 2008, in order to make corrections to the previously filed amendments to the specification. No new matter has been added. With this filing, it is believed that the application is in condition for allowance.

In detail, Supervisory Patent Examiner Westin notified Mr. de Guzman in the telephone conversation that the amendments to the specification filed on April 21, 2004 contained some typographical errors. Accordingly, the previously filed amendments to the specification are being corrected herein as shown.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

Entry and consideration of this filing is kindly requested. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,  
SEED Intellectual Property Law Group PLLC
